Wecon Annual BBQ

Our annual BBQ was again a smash this past summer. Thanks to all who attended to help make the day a success. If you didn't have an opportunity to come out and join us we hope you will consider doing so next summer.

Next Month Picking The Right Conveyor Equipment

Conveyor equipment can be the most basic and /or most complex part of your company's operation. Wecon Services has helped many organizations in this situation with "Guaranteed Results".

Next month we begin our review of some of the most common conveyor types on the market.
